

Malawi College of Accountancy

Centre for Professional Programmes and Consultancies

AUGUST-DECEMBER SHORT TRAINING PROGRAMMES

Is your organisation ready to boost productivity and efficiency? Malawi College of Accountancy invites public and private institutions to partner with us for professional training programmes designed to equip your staff with relevant knowledge and skills.

With a proven track record in delivering high-quality, industry-relevant training, MCA is your ideal partner in human capital development. Whether you are seeking refresher courses or advanced professional development, MCA has got you covered.

The training programmes that are offered are as follows:

	Training Programme	Course Purpose
1	Leadership and Change Management	Aimed at equipping managers with the skills and knowledge they need to lead and manage teams effectively.
2	Human Resources Management (People, Culture, and Talent Management)	Aimed at equipping managers with knowledge and practical skills in people management.
3	Accounting and Financial Management	This training programme aims to equip participants with the knowledge and skills to understand basic accounting procedures and apply accounting procedures, including the theoretical framework, in the preparation of financial statements.
4	Enterprise Risk Management	This programme aims to equip managers with skills and knowledge in managing risks in organisations.
5	Business Ethics and Project Management	Managers will be equipped with skills in project planning, execution, and completion.

6	Customer Service	This training aims to equip managers with customer care skills, which include the art of attracting, serving, and retaining customers.
7	Power BI Proficiency	Managers will learn how to use available data for the creation of various management reports.
8	Sales and Marketing Management	This training programme aims to equip managers with sales and marketing skills, both theoretically and practically.
