

## **MALAWI COLLEGE OF ACCOUNTANCY**

### **APPEAL FOR ASSISTANCE FOR SCHOOL FEES FOR NEEDY STUDENTS**

MCA Management would like to appeal to well-wishers (individuals and organisations) for financial assistance for a number of students studying with the College who are facing challenges to pay school fees for various programmes at the college.

We had a number of students who were being sponsored by some individuals based in the UK, USA and other countries. However, due to the impact of COVID, most of these individuals have been unable to continue with their sponsorship.

While some students have been assisted from public funds, many others still require assistance.

We would like to assure potential sponsors that the College will fully account for all assistance that will be given, and that on its part, the College has also taken some steps to assist these students in some way.

There are currently 165 degree students who are in dire need of assistance at K 500,000 per semester, requiring fees for the October, 2021 to March, 2022 and April to September, 2022 semesters. Sponsors can either sponsor a specific student, or contribute towards a pool which the College will distribute to the students depending on their assessed needs.

For more details about this request, kindly contact: **registrar@mca.ac.mw**

Those wishing to contribute to this cause should use the following bank account: *MCA, National Bank Account No. 1001697915, Chichiri Service Centre. Reference "Fundraiser012022"*.

Kindly send a copy of the deposit slip to: **registrar@mca.ac.mw**.
